LOOKING FOR HART

Sci-Fi Thriller / Survival Drama / War Romance

LOG LINE:

Raised in the mountains as the daughter of a rebel general, a fierce young fighter falls for an enemy soldier and begins to question the war she was born into.

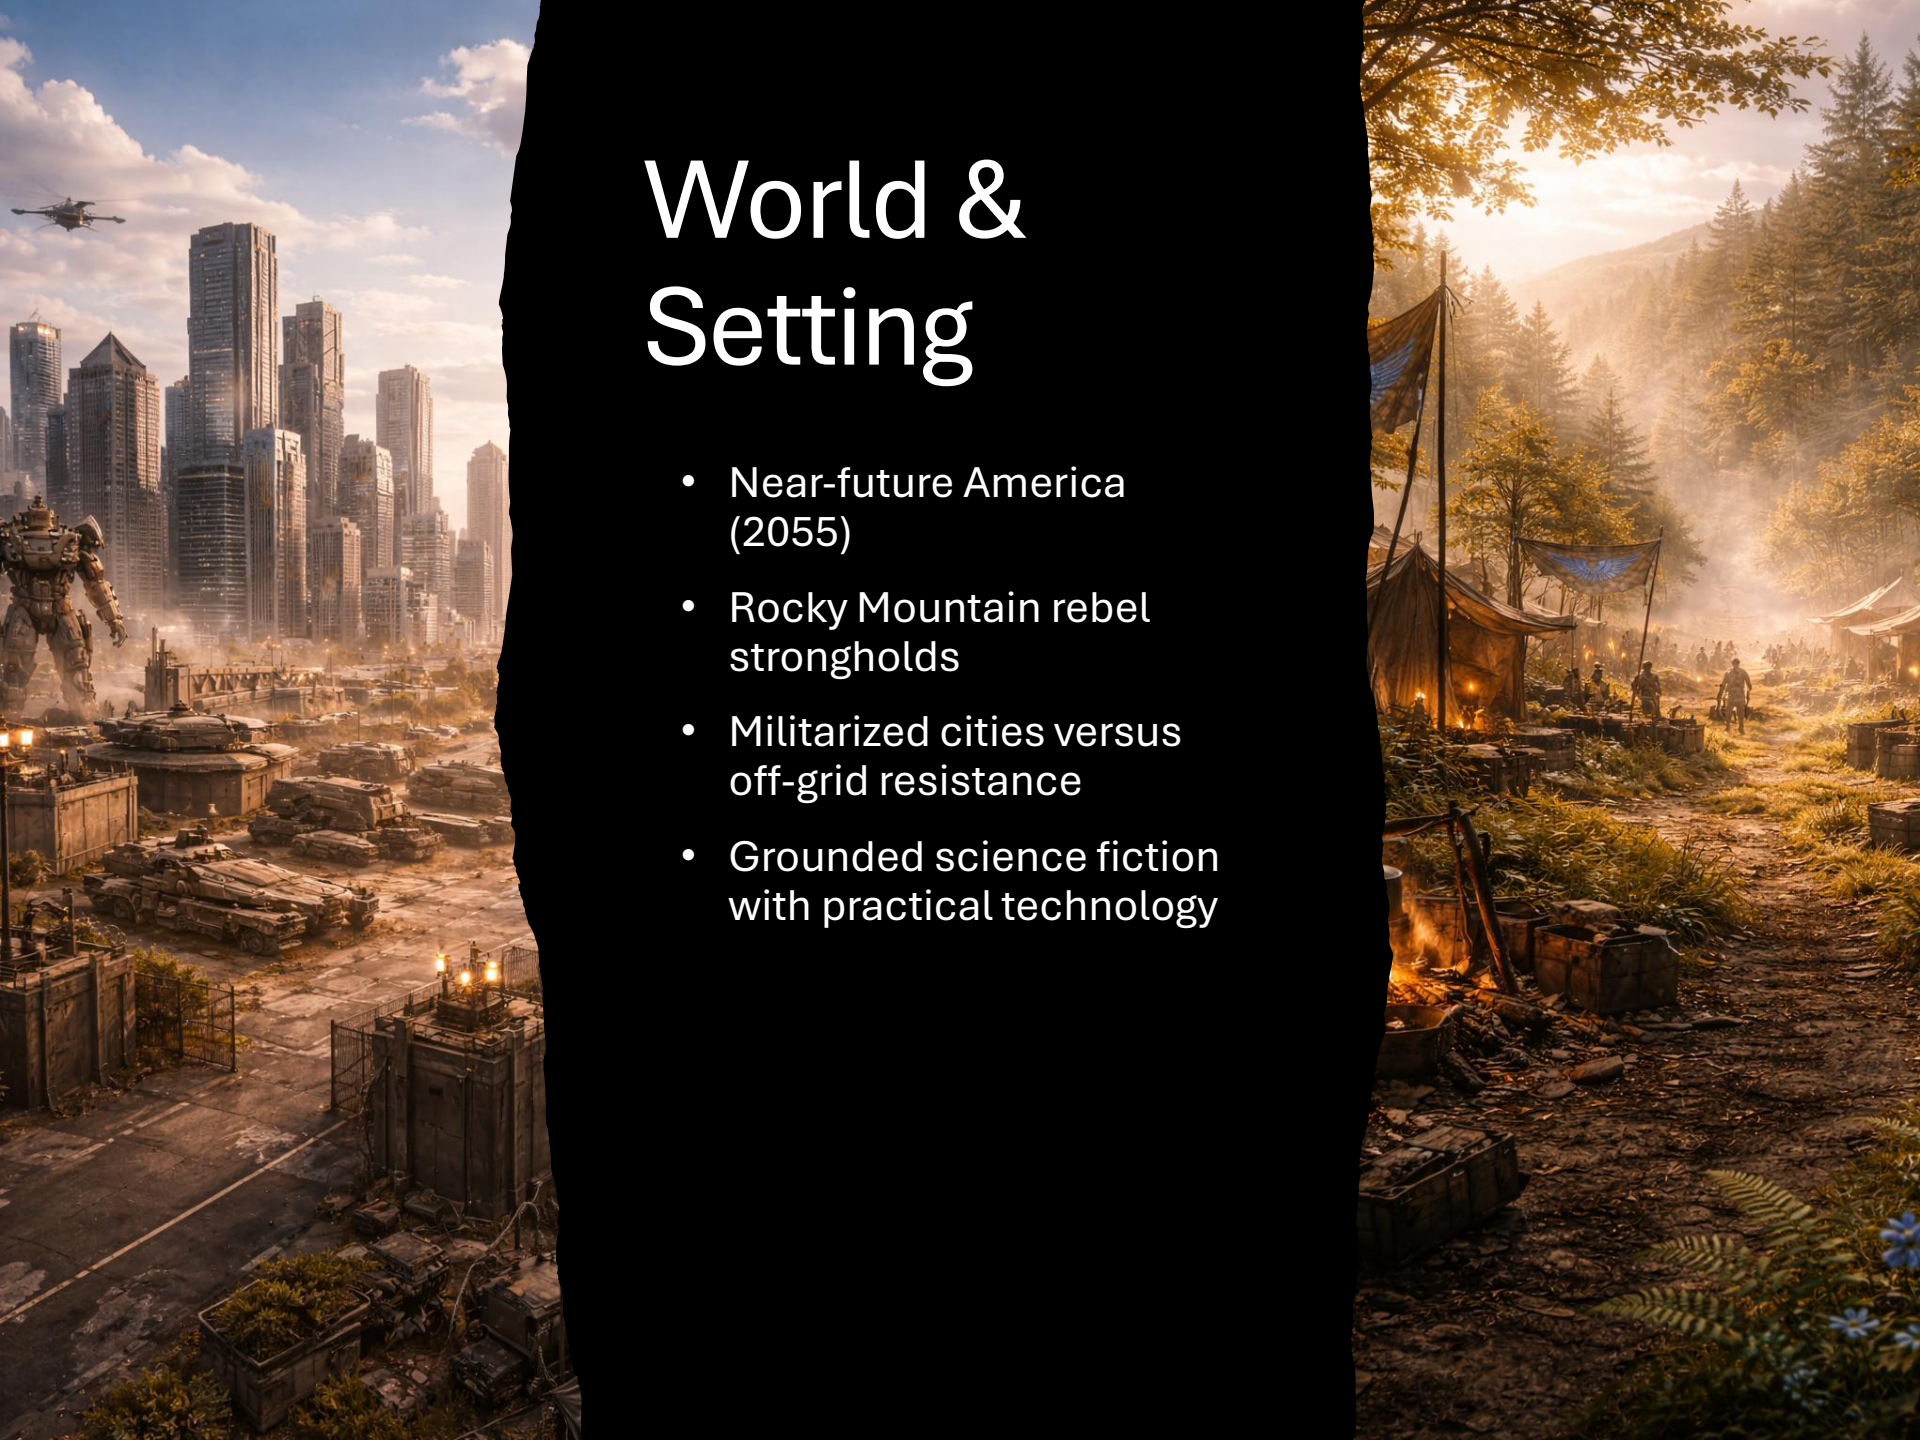

Created by: Mark Galasso

Story Overview

- Set in a fractured near-future America ruled by military control
- Alyssa Hart, daughter of rebel commander Karina Hart, is raised for war, but longs for normalcy.
- True Franklin, a young enemy cadet used by the UNION ARMY falls for Alyssa while on a recon mission.
- Their relationship forces both sides to confront truth, loyalty, and propaganda.

World & Setting

- Near-future America (2055)
- Rocky Mountain rebel strongholds
- Militarized cities versus off-grid resistance
- Grounded science fiction with practical technology

Key Characters

Alyssa Hart – Protagonist. Elite rebel fighter raised for war, but lacking in reason to fight.

True Franklin – Supporting Role 1. Enemy cadet questioning his allegiance that falls for Alyssa.

Karina Hart – Supporting Role 2. Rebel general and Alyssa's mother.

General Zane – Antagonist. Ruthless leader of the Union military.

Core Themes

- Love across enemy lines
- Truth vs. Propaganda
- Inheritance of war
- Choice versus destiny

Visual & Tonal Style

- Grounded, kinetic combat
- Natural environments and practical effects
- Minimalist near-future tech
- Emotion-driven storytelling over spectacle

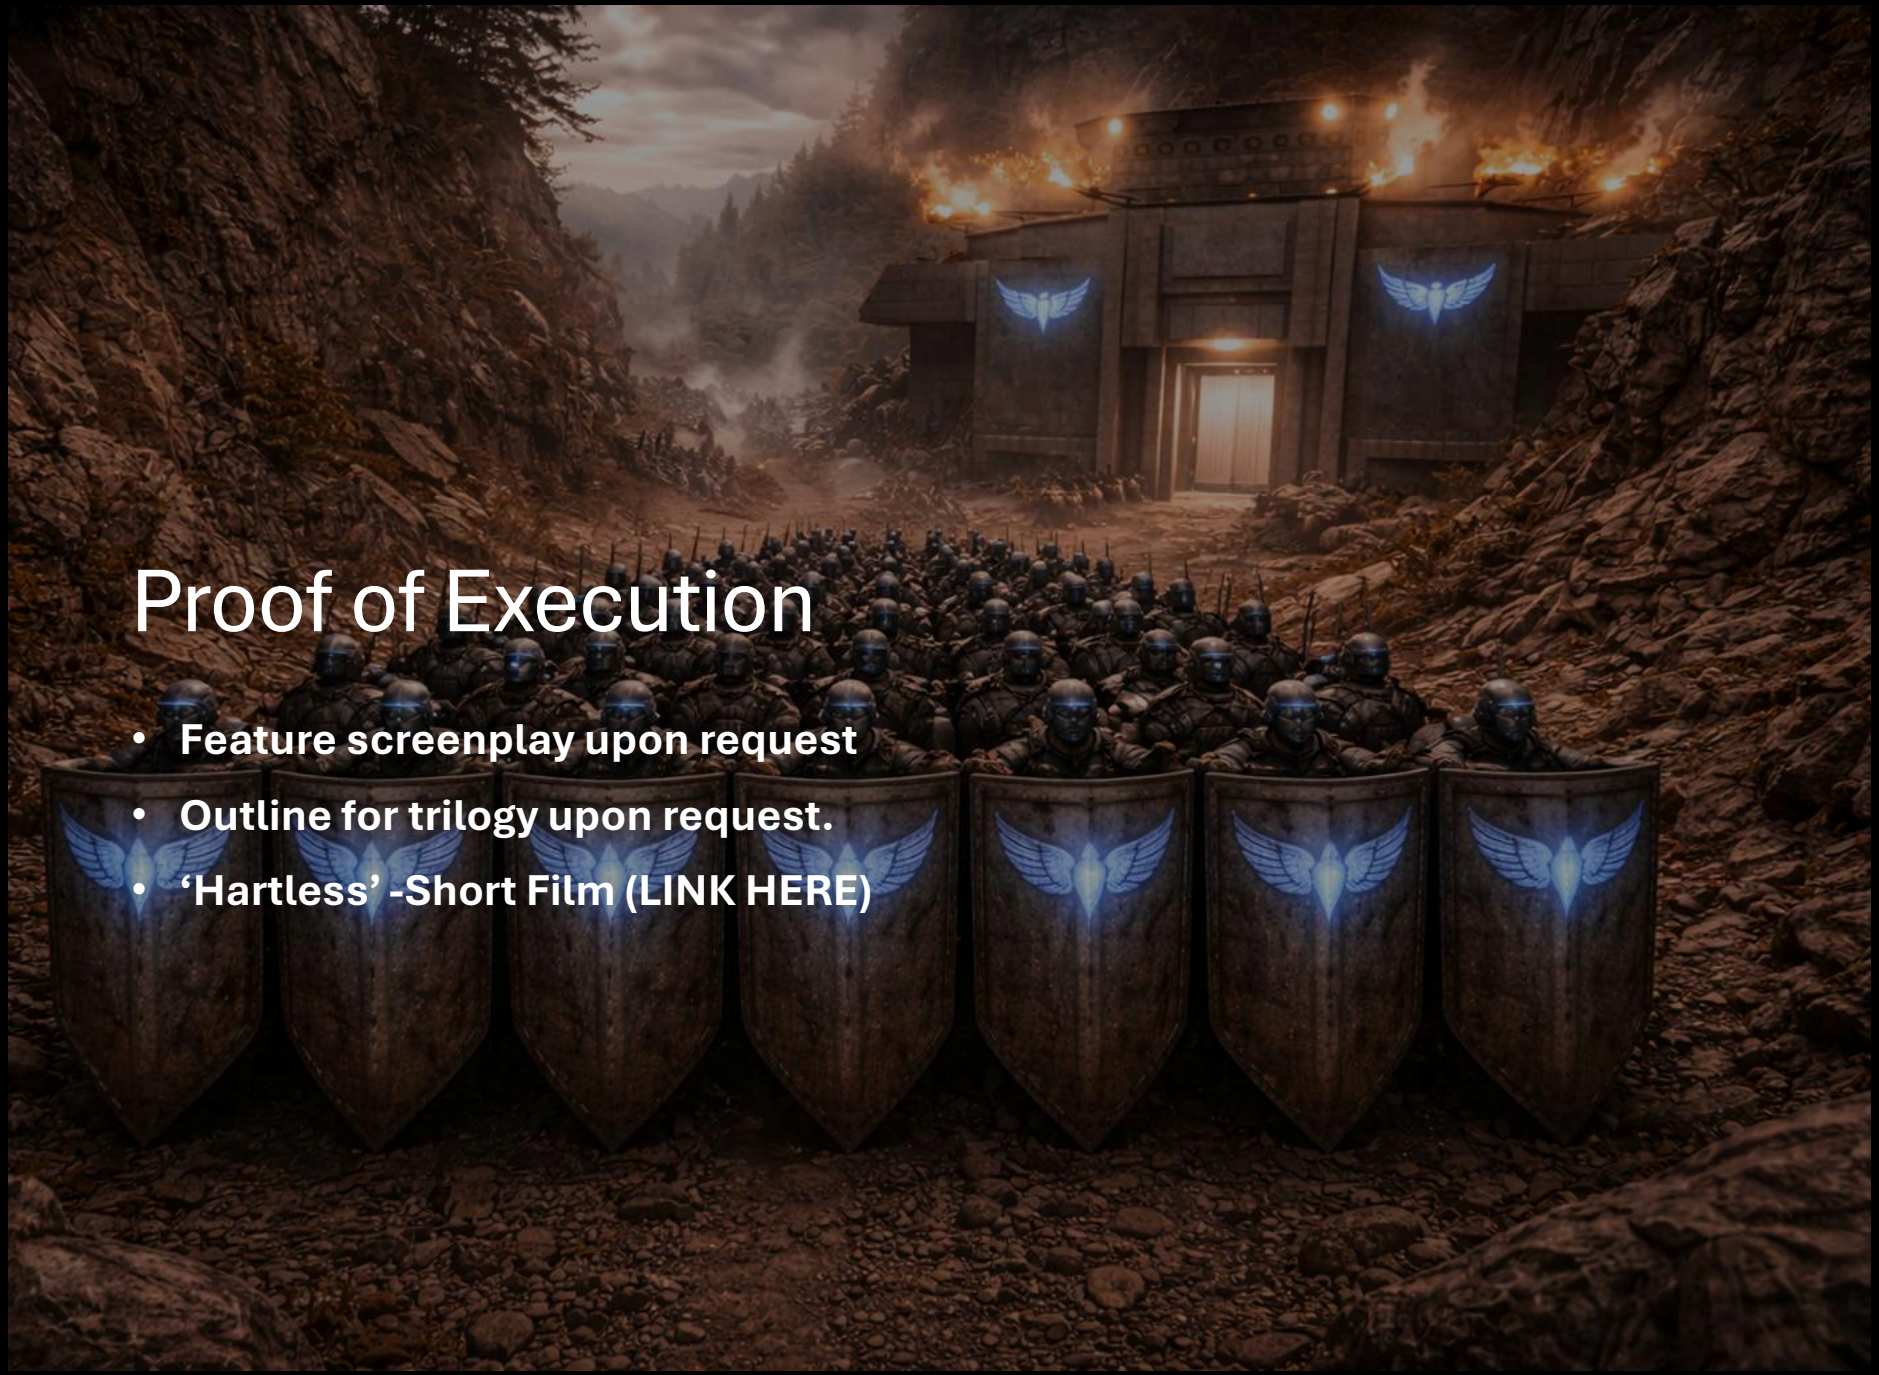

- The New World
- Star Wars
- Red Dawn

COMPARISON FILMS

Creator Vision

- Character-first sci-fi drama
- Emotionally grounded rebellion story
- Standalone feature with depth for trilogy and spin offs.
- Collaborative, producer-friendly approach

FILM I – LOOKING FOR HART
You don't have to inherit war.

FILM II – THE LIVING FAILSAFE
(working title)
Refussal doesn't stop others from building weapons.

FILM III – NO KEYS (working title)
Power only ends when no one can hold it.

The Trilogy
